Dear Mr. Schuppe:

Re: Reclamation of the Red Rock Mine, M/037/050, San Juan County, Utah

This letter is to inform you that the Division has asked S & S Mining Company to reclaim the Red Rock Mine site in its entirety. This includes: waste pile, incline, ponds, vent holes, etc. S & S Mining will commence reclamation this week, on September 15, 1989.

You indicated, in the Spring of 1989, that you are the legal claim holder of this site now, and wished to maintain some of the facilities at the site. The Division sent you a letter on May 17, 1989, informing you that you needed to file an NOI with us if you wanted to continue working the site and if you wanted certain facilities left unreclaimed. Your response to this letter was never made, and an NOI was never filed with either this Division or the BLM. A deadline for your reply was set, in the letter, for June 30, 1989 providing ample time before any decisions were made for reclaiming the site.

Sincerely,

Holland Shepherd
Reclamation Specialist
